Have you ever wanted to ride Dressage to Music? Don't know how to get started?

On the Day: Together we will tailor make your floor plan to suit you and your horse. Your floor plan will be filmed and music choices will be discussed.

After the Day: within 10 days you will receive a CD with several tracks of Walk, Trot & Canter which will all match your horse's rhythm. You now have the freedom to choose which piece you would like to use for Walk, Trot & Canter, making your music unique to you!

Once you have made your choices the music will be selected to match and enhance your floor plan routine.

You will receive: x2 Dressage to Music CD's, your Floor Plan and all BD paperwork required for you to compete at BD affiliated dressage to music competitions. Complete Package £195 (includes arena hire)

Dressage to Music Practice with Lesson: This will give you the chance to practice your own music and floor plan. With the combined experience of riding and training horses, Claire knows exactly what the judge is looking for to gain more marks, will help with use of arena, setting up & improving movements.
